Velocity Retail Operations & Customer Policies

Official policy manual for customer order fulfillment, returns, refunds, and support resolution.

Scope & Compliance Notice: These operational terms govern all online transactions across the Velocity Retail store network. Inquiries processed by digital assistants and support staff are strictly bounded by the clauses contained within this document.

Section 1: Shipping & Delivery Protocols

- **Order Dispatch Window:** All confirmed orders are packaged and processed within 24 to 48 hours on business days (Monday through Friday, excluding public holidays).
- **Transit & Delivery Timeline:** Standard doorstep transit requires 3 to 5 business days nationwide across primary and secondary urban centers.
- **Approved Logistics Carriers:** Shipments are fulfilled exclusively via Leopards Courier and Trax Logistics with end-to-end tracking integration.
- **Tracking Dispatches:** Waybill tracking identifiers are transmitted via SMS and WhatsApp once parcels are scanned at central sorting hubs. Customers must alert support if no movement registers within 72 hours.

Fulfillment Tier	Order Criteria	Shipping Fee	Estimated Window
Standard Regional	General parcel orders	Rs. 250 flat fee	3 – 5 business days
Prepaid Free Tier	Prepaid orders > Rs. 3,500	Rs. 0 (Waived)	3 – 5 business days
Remote Outreach	Non-metropolitan zones	Rs. 250 flat fee	5 – 7 business days

Section 2: Return, Exchange & Refund Policy

- **Eligibility Window:** Return or exchange requests must be filed within 7 calendar days of verified delivery. Requests submitted on day 8 or later are systematically barred.
- **Condition Requirements:** Merchandize must remain unused, unworn, unwashed, and retained in original box packaging with intact tags and barcode stickers.
- **Non-Returnable Inventory:** Hygiene merchandise, cosmetics, haircare formulas, inner garments, and clearance stock marked at 40% discount or higher are strictly non-refundable.

Section 2 (Continued): Cost Distribution & Refund Processing

- **Return Courier Charges:** For customer preference claims (e.g., alternative size, hue, or styling change), the standard return shipping fee of Rs. 250 is borne by the customer. If the return originates from dispatch defects or incorrect items, Velocity Retail covers all transit expenses.
- **Payout Modality:** Direct cash handovers for Cash-on-Delivery parcels are not permitted at the doorstep under any circumstances.
- **Settlement Schedule:** Verified refund amounts are disbursed within 5 to 7 business days via direct Bank Transfer, EasyPaisa, or JazzCash following warehouse intake and product inspection.

Section 3: Damaged, Defective, or Incorrect Items

24-Hour Notice Window
Damage claims must be officially reported within 24 hours of package delivery to qualify for priority replacement.

Mandatory Unboxing Video
An unedited parcel unboxing video showing the shipping label and defect is strictly required before review.

Upon proof validation, an expedited replacement parcel is released within 24 business hours at zero cost to the client.

Section 4: Order Cancellations & Payment Rules

- **Order Revocation Window:** Customers may cancel purchases within 4 hours of submission by initiating contact with support. Orders cannot be recalled once courier shipping manifests are sealed.
- **Doorstep Refusal Sanctions:** Refusing Cash-on-Delivery consignments upon arrival triggers an automated flag. Recurring refusals place customer profiles on COD restriction lists, mandating digital advance settlement for all future transactions.
- **Payment Gateways:** Digital checkouts accept credit cards, debit cards, 1Link transfers, EasyPaisa, and JazzCash.

Customer Support Escalation Protocol:
For disputed claims or unlisted scenarios, queries must be referred to our specialized human triage unit at **support@velocityretail.com** or via WhatsApp at **+92 (300) 123-4567** (Operating hours: Monday – Saturday, 09:00 to 18:00 PKT).
